Professional Summary

High-caliber Mathematics Educator with dual Master's degrees in Mathematics and Physics. Specializing in international curricula, making complex calculus, linear algebra, and Statistics visually engaging for students worldwide. Leverages an advanced digital teaching setup—integrating Microsoft OneNote, GeoGebra, and a Huion graphics tablet—to deliver an immersive and interactive online learning experience.

Experience

- Preply, Superprof, Upwork Remote
Online Mathematics Tutor (Freelance) 2026 – Present

Built a highly interactive teaching configuration utilizing a graphics tablet, Microsoft OneNote, and a dual-screen desktop layout for seamless virtual instruction.

Utilize AI tools and GeoGebra Classic 6 side-by-side to visually demonstrate complex calculus, trigonometry, and statistical theorems to international learners.

Customize lesson plans for rigorous exam preparation, including postgraduate entrance examinations (Kau Yan) and high school advanced placements.

Independent Mathematics Educator

- Mathematics Tutor 2009 – Present
Engage in continuous mathematical application, curriculum review, and conceptual mentoring for college and university-level mathematics.

Provide one-to-one and small-group tutoring across home, college, and academic institute environments, adapting to diverse learning paces.

- Desi Farm (SMC-Private) Ltd Kharian, Pakistan
Chief Executive Officer 2016 – 2025

Directed full-scale operations, resource allocations, and administrative systems for a commercial agricultural venture.

Applied critical quantitative analysis and logic to manage operating budgets, optimize business logistics, and drive strategic decision-making over a 10-year tenure.

Core Competencies

Subject Expertise: Calculus, Statistics, Linear Algebra, Differential Equations, Discrete Mathematics

EdTech Integration: Microsoft OneNote, GeoGebra Classic 6, Python(Numpy, Simpy), OBS Studio, Huion Graphics Tablet.

Instructional Skills: Interactive Concept Demonstration, One-to-One Mentoring, Curriculum Review, Cross-cultural Communication.

Education

FUUA	Islamabad, Pakistan
Master of Science (M.Sc.) in Applied Physics	2013
University of the Punjab	Lahore, Pakistan
Master of Science (M.Sc.) in Mathematics	2009
